# Holiday Gift Guide 2023

*Find everything you need for the  
Holidays on Stony Plain Road!*

Welcome to our first ever...

# Stony Plain Road Holiday Gift Guide!

## Shop Local!

We envisioned this guide to help you discover great holiday gifts and ideas - **Explore and support your local economy!**

This guide features a collection of local businesses and professional services, a sample of the 550+ that call Stony Plain Road home!

**When you buy local, 68% of your money stays in the local economy.** This is a huge turn over rate when compared to 43% at corporate chains, and it's even less when you shop at

the big box stores online during sales like Black Friday.

Considering all that has changed since the pandemic, consumers have learned the importance of having local services and businesses in their neighbourhoods.

**By shopping locally we have the power to curate the kind of community we want to have and be part of.**

As local businesses pivot, your patronage and support is even more vital during Valley Line West LRT construction.

We wish you light, prosperity, and hope during the holiday season and into 2024.

**Todd Janes**  
Executive Director,  
Stony Plain Road  
Business Association

**We want to take this opportunity to highlight our Glenora business neighbours along 134 St & Stony Plain Road, who are also impacted by LRT construction. Keep them in mind during your holiday shopping trips too!**

- Vi's For Pies
- The Colombian Coffee Bar & Roastery
- Cruise Vacations Inc.
- Yves Salon
- Groove Dental
